PLAN YOUR VISIT

WE'D LOVE TO MEET YOU!

Whether you've been following Jesus for years or you're simply curious about faith, there's a place for you at All Nations Church International. We believe church should feel like home, a place where you can encounter God's presence, grow in your faith, and build meaningful relationships.

From the moment you walk through our doors, you'll be welcomed with love and treated like family.

SERVICE TIMES

Corporate Prayer: 10:30 AM

Sunday Worship Service: 11:00 AM

We invite you to come early and join us for Corporate Prayer as we prepare our hearts and seek God's presence together before service begins.

WHAT TO EXPECT

Spirit-Filled Worship

Experience passionate worship that creates an atmosphere where you can freely connect with God.

Biblical Teaching

Receive practical, Bible-based teaching that strengthens your faith and equips you to apply God's Word in your everyday life.

Prayer & Ministry

We believe God still heals, delivers, performs miracles, and speaks today. Every service provides an opportunity to receive personal prayer and ministry.

A Family Atmosphere

Whether you're visiting by yourself, with friends, or with your family, you'll be welcomed with open arms and treated like family.

WHAT SHOULD I WEAR?

Come as you are!

There's no dress code at ANCI. Some people dress casually while others enjoy dressing up for church. We simply want you to feel comfortable and welcomed.

CHILDREN'S MINISTRY

We love kids! During our Sunday service, children can enjoy a safe, fun, and engaging environment where they'll learn about Jesus through age-appropriate lessons, activities, and Bible teaching.

Our goal is to help every child grow in their faith while giving parents the opportunity to fully engage in worship and the message.

ARRIVE EARLY

We recommend arriving **10–15 minutes before Corporate Prayer** to meet our Welcome Team, find your seat, and get settled before we begin. If you're unable to make prayer, we encourage you to arrive before the **11:00 AM worship service** starts.
